

## The Home Acre

By Edward Payson Roe

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Land hunger is so general that it may be regarded as a natural craving. Artificial modes of life, it is true, can destroy it, but it is apt to reassert itself in later generations. To tens of thousands of bread-winners in cities a country home is the dream of the future, the crown and reward of their life-toil. Increasing numbers are taking what would seem to be the wiser course, and are combining rural pleasures and advantages with their business. As the questions of rapid transit are solved, the welfare of children will turn the scale more and more often against the conventional city house or flat. A home CAN be created in rented dwellings and apartments; but a home for which we have the deed, a cottage surrounded by trees, flowers, lawn, and garden, is the refuge which best satisfies the heart. By means of such a suburban nook we can keep up our relations with Nature and all her varied and health-giving life. The tired man returning from business finds that his excited brain will...
