Design / Methodology / Approach The correlation to previous work was critically addressed with a focal point set on relationship, and e-marketing approaches and strategies, whilst highlighting the potential of an utilisation of virtual worlds / communities. The methodological approach was of an inductive philosophy by gathering information about Second Life from a corporate and an individual point of view. This took the form of a self-administered Internetmediated questionnaire, a semi-structured telephone interview and a participant observation. Findings Through a conceptual analysis of the virtual community of Second Life in terms of exploring reasons for participation and benefits received from an immersion into...
