

A Short Course in Elementary Meteorology (Classic Reprint)

By W H Pick

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Short Course in Elementary Meteorology This unimposing little book is a remarkable one, for it marks an epoch; there are numerous books on elementary meteorology, but this is the first which has been written by a British teacher for a class of students who are learning meteorology as a qualification for their profession. The British Empire has produced some of the world's foremost meteorologists - Hailey, Beaufort, Abercromby, Blanford, Eliot, and Shaw, to mention only a few - but, until recently, no one but a few specialists thought it worth his while to make a serious study of meteorology. But things have now changed, for the war taught us the importance of meteorology in practical life, and the aviator has arrived with his active life in the region of nature which we meteorologists have only looked into from below. Meteorology, from being the hobby of a few and the life's work of a still smaller number of despised official weather prophets, has come into its own, and not only the aviator...
