Imagine holding history in your hands. Now you can. Digitally preserved and previously accessible only through libraries as Early English Books Online, this rare material is now available in single print editions. Thousands of books written between 1475 and 1700 can be delivered to your doorstep in individual volumes of high quality historical reproductions. From the beginning of recorded history we have looked to the heavens for inspiration and guidance. In these early religious documents, sermons, and pamphlets, we see the spiritual impact on the lives of both royalty and the commoner. We also get insights into a clergy that was growing ever more powerful as a political force. This is one of the worlds largest collections of religious works of this type, revealing much about our interpretation of the modern church and spirituality.
