Reviews

This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

THE AMULET MANUAL: A COMPLETE GUIDE TO MAKING YOUR OWN

[DOWNLOAD](#)

John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, The Amulet Manual: A Complete Guide to Making Your Own, Kim Farnell, Why not wear something attractive that has significance for you? Jewelry, charms or a decorative piece that you have made yourself? Amulets are not difficult to make, and this book supplies all the information you need. It describes a wide variety of amulets made with gemstones, herbs, signs or words and shows you when and how to make them. No special skills are required, and it's a craft we can all enjoy and benefit from. From the earliest days of prehistory people have protected themselves with the use of amulets-objects imbued with mysterious and magical powers. Prayers, offerings and sacrifices were offered to the good spirits to grant blessings, amulets stopped the evil spirits from taking them away. Worn on the body, usually around the neck, they provided health, luck, fertility, power, success and almost any other need. When carrying an inscription, maybe pieces of parchment with scripture quotes, they can be called charms. Over the years they have come and gone in fashion but their purpose endures, and they are again increasing in popularity.
