Brand New Book ***** Print on Demand *****.With a little imagination, you really can design the interior of your home to suit your own style. It doesn't always take spending a fortune. This book is geared toward those that want their homes to look designer style on a budget. Believe it or not, you really can improve what your home looks like by understanding basic design principles. And this is what this book aims to do. Stop complaining and start moving with easy to follow tips on how you can get started on decorating your dream home to your own specification. It's easier than you might imagine and cheaper too! This book contains proven steps and strategies on how to decorate your home without breaking the bank. From interior design principles, to color psychology, and even tips on how and where to start, you're sure to learn everything you need to know about basic interior design in this book. The basic idea here is that the environment we're in affects us greatly and as such, we need to pay more attention to it. Feng Shui would not only help us boost the positive energy in our homes, but also bring about harmony. All of which would benefit those living within the space. A handful of tips that will surely help you in addressing design issues usually encountered by designers during the design process are also to be found and discovered in this book.
