

## Nancy Holt: Sightlines

Filesize: 4.12 MB

### ***Reviews***

*This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

## NANCY HOLT: SIGHTLINES

[DOWNLOAD](#)

University of California Press. Paperback. Book Condition: new. BRAND NEW, Nancy Holt: Sightlines, Alena J. Williams, Pamela M. Lee, Lucy R. Lippard, Nancy Holt, Ines Schaber, Newly available in paperback, this landmark volume is the definitive study of the work of visionary American artist Nancy Holt (1938 2014). Since the late 1960s, Holt's wide-ranging production has included Land art particularly the monumental Sun Tunnels (1973 76) as well as significant projects in sculpture, installation, photography, film, and video. A comprehensive representation of Holt's working process in both word and image, Alena J. Williams's momentous publication illuminates the artist's interest in physical space and reveals how the geographic variety and boundlessness of the American landscape afforded her numerous opportunities to develop large-scale projects beyond the confines of New York City's gallery walls. Contributions by a distinguished group of writers including Pamela M. Lee, Lucy R. Lippard, Ines Schaber, and Matthew Coolidge chart Holt's fascinating trajectory from her initial experiments with sound, light, and industrial materials to major site interventions and environmental sculpture. James Meyer's valuable interview with Holt and Julia Alderson's illustrated chronology expand our knowledge of this groundbreaking artist and the crucial contexts in which she worked. More than twenty original writings by the artist and a rare selection of her concrete poetry, documentary photographs, and preparatory drawings reveal Holt's revolutionary concepts of space, time, optics, and scale.
