

Elements of Analytic Geometry (Classic Reprint)

By Simon Newcomb

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Elements of Analytic Geometry The author has endeavored so to arrange the present work that it shall be adapted both to those who do and those who do not desire to make a special study of advanced mathematics. Believing it better that a student should learn a little thoroughly and understandingly than that he should go over many subjects without mastering them, the work is so constructed as to offer a wide range of choice in the course to be selected. The opening chapter contains a summary of the new ideas associated with the use of algebraic language, which the student is now first to encounter. His subsequent progress will depend very largely on the ease and thoroughness with which he can master this chapter. The next seven chapters correspond closely to the usual college course in plane analytic geometry; but the second sections of Chapters III. and IV., as well as some sections of Chapter VIII., may be regarded as extras in this course. If to this be added the part on geometry of...
