Tantor Media, Inc, United States, 2011. CD-Audio. Book Condition: New. Unabridged. 190 x 135 mm. Language: English . Brand New. Every morning on CNBC s Squawk Box, Joe Kernan asks challenging questions. And at home he does the same with his young daughter, Blake. What are you learning in school? What TV shows do you like? What message did you get from that movie?When Blake was nine, her answers told Joe that she had already absorbed a distorted view of economics-from her school, pop culture (even animated movies!), and just about everywhere else. She was learning that capitalism is unavoidably immoral, that business people can t be trusted, especially if they run big companies like BP or Wal-Mart, that trade is bad because it hurts American workers, and that no matter how bad things get, the government will always bail us out.Joe admits that he shouldn t have been surprised in an era when Washington casually takes over car companies and spends a trillion dollars stimulating the economy. That led to discussions of some tricky ideas, like credit and the time value of money. In theory a dollar today is always worth more than a dollar next year-but not to someone whose purchases are always paid for by someone else.Joe and Blake talked about the pluses (small) and minuses (huge) of unions-including the unionized teachers who disparage the free enterprise system that pays their salaries. They investigated the complicated process by which even the simplest...
