Reviews

Definitely among the best book I have possibly read. I have study and i am sure that i will going to go through once more once more later on. Your lifestyle span is going to be convert when you full looking at this publication.

(Prof. Damon Kautzer III)

SENSUOUS LOVE POEMS

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Padmini Dutta Sharma's pursuit for poetry has touched another dimension with her latest masterpiece Sensuous Love Poems . In this book the poet has touched on diverse themes and experimented with various poetic forms. Her penchant for Old English Literature drives her to pen atypical verses in her signature style that rhyme differently in different poems. Her simple and lucid language gives her readers a momentary chance to bask in the adulation of their own love life while involuntarily experiencing the instant connects. Her deeply passionate and captivating love poems often overtake the boundaries of realism to the paranormal, celestial and super natural world. Her undaunted belief in her own creative powers helps her thrive not just as a poet but also as a philosopher who hopes to bring about a paradigm shift in the thinking pattern of her readers. She does not believe in mincing words and throwing subtle hints when she is describing the passionate overtures of lovers engrossed in the euphoria; she pens detailed description of their postures and gestures without much ado. She has touched upon deceit, treachery, unrequited love, social dogmas to such an extent that she has composed touching lines on the love life of eunuchs and infertile women with a very strong insight. Her sustained belief after delving deep in the human psyche that love indeed has magical powers to cure the sick and impaired are repeatedly reflected in her compositions. Each of her poems exudes immense energy and vibrancy; passion and exuberance. Her tribute to lady Diana is indeed a masterstroke. Her poems have a distinctive quality in the sense that she asks lots of questions to her readers...
