Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.When we have a psychic moment, we often think of it as mere coincidence or perhaps the result of an overactive imagination. Many of us are afraid of such breakthroughs and find them weird or spooky. Others ignore them in the hope that they go away. In *Supernatural is Natural*, celebrated clairvoyant Rosemarie Campione, PhD, takes the mystery, uneasiness, and stigma out of the psychic events we all naturally experience-and shows us how to use them to enhance our quality and enjoyment of life. Divided into three parts, this enlightening guide first lays the foundation of supernatural events as Dr. Campione reveals the way her own psychic abilities developed into a successful forty-year counseling career with a vast clientele. The second part of the book details the various ways spirits communicate. The final third of the text outlines Dr. Campione's philosophy concerning paranormal activity, personal growth, and healing. For everyone interested in exploring and utilizing paranormal occurrences, Dr. Campione's insight and inspiration will teach us how to unleash our inner psychic, hone our own personal psychic gifts, and fulfill our potential.
