Patchwork, simply involves sewing together cut pieces of material to create a larger design, and Cath has broadened the boundaries of conventional patchwork to create projects from vintage embroidered traycloths, striped linen tea towels, and shirting. There is a wide range of techniques from simple machine piecing to more complex patchwork, which makes this is a wonderful book not only for beginners but also for advanced sewers who want to tackle more challenging patch projects. The book also includes a needle kit to get you started on your very own patchwork!
