This book is dedicated to all of us, who through our divine mission, bring light into this world and who are constantly striving towards experiencing and sharing the eternal love of our Creator. Those of us who hear this calling are called Stars of Heaven. Just as the stars illuminate the heavens, so we radiate through the love of God and illuminate the darkness for all people who are helplessly in search of the light. To be a Messenger of Love is part of the multiple functions that we must undertake in being Stars of Heaven. Sometimes our function is comparable to that of an Angel, other times we seem to be like crystals embedded in dark rock, illuminating clarity and purity into the world. Alternatively, at times we undertake our divine mission with a revolutionary fighting spirit as guardians and protectors of Gods love and creation. The first part of this book is dedicated to the initial and foremost most important step to master Active Listening with the help of the Bridging method. Since our work as Stars of Heaven and our mission as a Messenger of Love is sometimes quite challenging and demanding, the second part of this book contains supportive words of encouragement and consolation as well as words of caution and inspiration that any Star of Heaven can depend on and be inspired by. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
