The Art of Properly Bleeding is a collection of poems that will lift you up, and put you down. The poetry began out of teenage angst and can relate as well as help anyone feeling lost, different, or confused in this crazy world. The title reflects on the extreme outlet known as cutting and serves as an explanation to anyone that people can relate to how you feel, but there is a better way. Although I have never participated in this process, it has deeply impacted me and my family. As the dedication page explains, The Art of Properly Bleeding is really about pouring your guts out. The poetry speaks of some dark nights, and explains how you can become stronger before the light. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN.
