Date :2008-08. Currently, the college English teaching reform and CET reform wind clouds, the gradual penetration of the new teaching goals, new test requirements, new teaching ideas and new test concepts have been introduced to our college English teaching and examination made new demands, new inspiration. How to better understand the new teaching goals, to grasp the new test requirements, penetration of new teaching ideas, learning materials through our usual, on the one hand to lay the basis for the language to broaden the knowledge of the language, improve language skills, enhance communication applications, on the one hand the usual textbook learning and the future of the CET together, exchange fusion, complement each other, the real level of examination in the materials gap between learning and a bridge, a lot of students care, concern, think about. This series of textbooks is currently teaching and examination reforms are turbulent times the flow from that. It was prepared jointly by the teachers made a number of well-known, closely linked to materials....
