SLACK Incorporated. Paperback. Book Condition: new. BRAND NEW, Last Minute Optics: A Concise Review of Optics, Refraction, and Contact Lenses (2nd Revised edition), David G. Hunter, Constance E. West, The popular optics review manual, "Last Minute Optics: A Concise Review of Optics, Refraction, and Contact Lenses", has been revised and updated into a Second Edition. This unique resource boils down the overwhelming subject matter of clinical optics and helps ophthalmologist review the essentials of clinical optics and refraction in a single review manual. The content is based upon the practical experience of two clinically-active experts who lecture on ophthalmic optics around the world. This updated Second Edition by Drs. David G. Hunter and Constance E. West includes new questions added to selected chapters, a new chapter covering refractive surgery, as well as a key chapter that helps you evaluate patients who present complaints related directly to optical or refractive concerns. The complex concepts of optics are revealed in easy-to-understand explanations enhanced by simple illustrations. "Last Minute Optics, Second Edition" allows you to test your knowledge while increasing your understanding of optics. Designed in a clear and concise, question-and-answer format this book allows for self-assessment while studying and a chance to verbalize your understanding before you read the answer. The material is directly related to clinical care, so that even if you are not studying for a review, you will rediscover knowledge which will help in improving efficiency and effectiveness in the clinic. Features of the Second Edition are as mentioned below. It is written in a light and approachable style to make optics accessible and understandable. It features unique question-and-answer format that allows for self-assessment while studying, helping identify areas where more work is needed. It is perfect for limited study time. It includes real-life examples that are clinically-relevant. It..
