Simon & Schuster, New York, N.Y., 2006. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Printing. Brodart protected dust jacket. Author's debut novel. "Return to 1937, when America is turning to the pulps for relief from the Depression, and meet Walter Gibson, the mind behind *The Shadow*, and his rival for the top-selling spot on the nation's newsstands, Lester Dent, creator of *Doc Savage*. The murder of Gibson's friend H. P. Lovecraft - victim of a mysterious death that literally makes the skin crawl - is about to bring these two writers face to face with a peril sprung from the pulps. *The Chinatown Death Cloud Peril* is at once a valentine to an old-fashioned genre as well as a modern, meta-literary examination of the classic hero pulp. From the palaces and battlefields of warlord-plagued China to the seedy waterfronts of Providence, Rhode Island; from frozen seas and cursed islands to the dizzying and labyrinthine alleys and tunnels of lower Manhattan, Dent and Gibson, joined by the young pulp writer L. Ron Hubbard and a host of colorful characters, finally step out from behind the shadows of their creations to take part in a heroic journey far greater than any story they have imagined as they race to stop a madman destined to create a new empire born of, and based in, pure, gaseous evil." Size: 9.25 x 6.125 in.
