Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The winning entry from the 2013 ABA Journal/Ross Contest for Short Fiction leads off this . . . darkly funny. 13-story debut compilation by Lance C. Hendrickson. . . Hendrickson displays a confidence that promises more exciting things to come. in an . . . entertaining collection from a strong new voice[] as Kirkus Reviews puts it, adding [t]hese 13 tales run the gamut from sci-fi and crime fiction to more mainstream musings about relationships and growing up, and each has a unique narrative voice. The stories characters span the spectrum from the transgender son of a Cuban Marielito, to a White House Chief of Staff, to survivalists, drug dealers, struggling lawyers, and many perspectives in between. But despite this notable diversity, each character s individuality never gets lost. As Kirkus Reviews noted, . . . [w]riting in a naturalistic style, Hendrickson imitates the way real people speak, down to stammers and accents. When characters say things such as, Whattayagonnado, or Ohhww, lookit chew, their voices come through loud and clear. The stories settings range far and wide as well. Answering Dorothy, an Honorable Mention in the 2007 Michigan Bar Journal Short Story Contest, and The Sovereign (called . . . one of the most memorable in the collection. by Kirkus Reviews) unfold in the contemporary rural Midwest, whereas It s Easy As [which . . . will leave readers wanting more. according to Kirkus Reviews] takes place in an urban center in a highly-stratified futuristic society. Each tale brings something new and different to the table, so that anyone who enjoys short fiction will find something to like in Stories Nobody Tells. //.
