

## Subversive Spinoza: Antonio Negri

---

By Timothy S. Murphy, Michael Hardt, Ted Stolze, Charles T. Wolfe

Manchester University Press. Paperback. Book Condition: new. BRAND NEW, Subversive Spinoza: Antonio Negri, Timothy S. Murphy, Michael Hardt, Ted Stolze, Charles T. Wolfe, In Subversive Spinoza, Antonio Negri spells out the philosophical credo that inspired his radical renewal of Marxism and his compelling analysis of the modern state and the global economy by means of an inspiring reading of the challenging metaphysics of the seventeenth-century Dutch-Jewish philosopher Spinoza. For Negri, Spinoza's philosophy has never been more relevant than it is today to debates over individuality and community, democracy and resistance, and modernity and postmodernity. This collection of essays extends, clarifies and revises the argument of Negri's influential 1981 book 'The Savage Anomaly: The Power of Spinoza's Metaphysics and Politics' and links it directly to his recent work on constituent power, time and empire.
