Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This is an unprecedented time in human history. Up until now man has been focused on documenting and understanding the laws of nature. From this emerged the descriptive sciences which formed the basis of our educational institutions today. We are now at a new point in human history where man has achieved mastery of nature. We now require a new body of knowledge that acknowledges man's progress and mastery in order to take the next steps as individuals and humanity as a whole. This new body of knowledge is known as Normative Science or Normative Studies. Normative means the ideal or the standard; the study of what an individual and humanity as a whole should now be doing. In doing so we realize our purpose as individuals and for humanity. Modern day academia and thus University has lost the Normative, intentionally or otherwise. One can go through an undergraduate degree, masters degree, and even PhD without even hearing the word, normative. Without the normative, reality can be reframed and the human lacking knowledge of the normative does...
