RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 24 pages. Original publisher: Washington, D. C. : The Commission, 1997. OCLC Number: (OCoLC)49982068 Subject: Communication in law enforcement -- United States. Excerpt: . . . Terrorism is the unlawful use of force or violence against persons or property to intimidate or coerce a government, the civilian population, or any segment 21 thereof in furtherance of political or social objectives. The researchers noted that poor communication between Federal, State and local law enforcement may have accounted for lack of uniformity in defining terrorism and what 22 constitutes a terrorist act. They also concluded that, despite near universal acknowledgment of the potential for terrorism, there was no agreement on what to do about it. Training, communications, coordination, and procedures were found to vary between cities and even 23 between law enforcement agencies within a city. The researchers also noted that the FBI is the lead Federal agency for countering terrorism in the United States. As of then (1993), the FBI has established joint terrorism task forces with State and local law enforcement agencies in Boston, Chicago, Denver, Houston, Los Angeles, Miami, Newark, New York, Philadelphia and San...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
