Createspace, United States, 2012. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Don't take it for granted that customer service jobs are always easy to get. The best jobs in any field are always the object of intense competition! This book will show how to enter, advance in, or exit from the customer service field while speaking the lingo of customer service across all industries, from telecommunications to financial institutions. All resumes and cover letters in the book actually worked for real people. And what about those who want to change fields? Maybe the goal is to change fields from the hospitality industry to the cellular industry, or from the telecommunications industry to the medical field. This book can help. A word of advice from Editor Anne McKinney: This great book of sample resumes and cover letters showing customer service experience will help customer service professionals show off their expertise. If you want to enter the customer service field or advance in the industry, you don't need just any resume book. You need an industry-specific resume book! You will love this book targeted specifically to the customer service field. Every resume and cover letter we put in a Real-Resumes Series book has been tested and proven in the real job market. Don't play games with your career. Your choice of a resume book is one of the most important career decisions you will ever make. Praise for books in the Real-Resumes Series: Distinguished by its highly readable samples. - Library Journal These excellent new guides don't just provide the usual coverage on how to write a resume. They provide industry-specific examples, industry-specific tips and cautions, and industry-specific strategies based on real-world resumes. Since many technical types...
