The Calamitous and Lamentable Arab Spring is a work that was inspired by recent events in the Middle East. Author Allma Dr. Sni lih Musapha casts a critical eye on the Arab Spring and identifies what he perceives as a major missed opportunity for the Arab nations to move forward. As a firm believer in practical Islam, Dr. Muapha regards the word of Allah in much the same manner he regarded his medical textbooks: as a practical guide for how to operate. A firm believer in the power of education, Dr. Muapha advocates an optimistic and constructive vision of how the power of Allahs word can be a force for good in the Arab world and elsewhere. It is the authors firm belief that by understanding the physical world and how it is governed by the laws of the Creator, we may be able to find a way to live the lives we dream of in peace and light. Or is like the darkness in a vast deep sea, overwhelmed with waves topped by waves, topped by dark clouds, darkness upon darkness; if a man stretches out his hand, he can hardly see it! And he for whom Allah has not appointed light, for him there is no light. Qurn 24: 40 Author Allama Dr. Sni lih Muapha grew up in Northern Nigeria. Now retired and living off his pension, Dr. Musapha is concentrated on pursuing his writing. He next plans to write a book exonerating Muhammad.
