Brand New Book ***** Print on Demand *****.Description: Arcadia Lusfort Sivils is a hybrid species. Partially a ferocious wolverine, halfly a blood ravaging vampire, withholding many deathly secrets from his friends, which are of lust and quite delivered possibly by the divine a gift of human emotions. Although Arcadia is psychic and sanguine, capable of seeing into people, proposing a death wish seems furthermore important than the vile of life itself through obedient meditations, feeling concerned about his family ancestors. The venture is ultimately of fire, iciness, hot blood, crude accusations and on target conclusions. Defeating a cruel daemon called Belzlich the German daemon proves to be terrible and frightening. That is until Jesus Christ returns to their Romanian Realms enchanting and stagnating within the very heart of their Universe. Holly is a prolific writer and surely the most hard working, well educated, beautifully elegant, powerfully influential author of her time. She began writing in her journals as a serious hobby at the age of ten years old. Her love of stories, novels, novellas, the purely classical and poetic writings actually had begun at the age of either five or eight. Who truly inspired her fascination with vampires was in fact Anne Rice. Other works include The Hobbit The Simarillion By the intuitive author J.R.R. Tolkien, the much adored author C.S. Lewis by Christians and varying Catholics alike, the poet author Edgar Allen Poe, the writer of Sherlock Holmes and not forgetting the one book which inspired she the most: Fire Bringer By David-Clement Davies. Holly lives peacefully with her dreams and God s unforgettable promises.
