

Dangerous Structures: A Handbook for Practical Men

By George H Blagrove

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.An excerpt from the beginning of the first chapter: THE surveyor who is called in to inspect a dangerous structure, frequently find himself in a position analogous to that of a medical man in attendance upon a patient who is in a very bad way. Great issues may depend upon the diagnosis of the professional adviser, and the remedies which he may feel called upon to prescribe. But in one sense, the experiences of the surveyor are capable of a more fundamental application than those of the physician or surgeon; for not only does it rest with him to mend or mar the ailing structure which he sees before him, but he may find in it examples of what to avoid in other fabrics which may be devised and carried out by him. Constitutional defects in buildings, unlike those of the human subject, can actually be prevented from recurring in future instances. Undoubtedly, defects in old structures are more frequently due to faulty foundations than to any other cause. The equal distribution of weights when building upon a...
