Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from *Memorials of Old Kent: With Many Illustrations* The prominent position of Kent among the English counties is universally admitted. For many centuries it has been the high road of communication between the southern half of Britain (including London) and the Continent, and it would be remarkable if it did not possess a past full of historical associations. Quite early in the Christian era - and, indeed, in pre-historic times - Kent was the centre of civilization and industrial activity. They have been particularly fortunate, they feel, in securing the assistance of writers whose special qualifications and researches have enabled them to write monographs of real and permanent value. The monastic, ecclesiastical, military, social, and political sides have all received attention. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
