

Skin

By Donna Jo Napoli

Amazon Publishing, United States, 2013. Paperback. Book Condition: New. 208 x 137 mm. Language: English . Brand New Book. My lips are white. Sixteen-year-old Sep stares into the bathroom mirror. It s not some weird lipstick (she never wears lipstick). Her lips are just white. In a panic, she digs up an old lipstick and smears it on her colorless lips. But soon, more and more white spots begin to bloom, spreading their chalky tendrils across her olive brown skin. Does she have a disease? Is she turning into some kind of freak? Sep is usually the one who knows all the answers. With a quicksilver mind and a supple body, she s happiest when she s delving into the mysteries of animal biology or giving herself over to sweet, hot moves in Jazz Dance Club. Unlike her best friend, Devin, she s never been in a rush to get a boyfriend. But as the white blotches spread, her dating days like the endangered species she studies seem numbered. So when Joshua, a boy she s always liked, makes a flirty advance, she wonders: why not grab pleasure while she can? Frank, funny, and full of passion, this is the...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
