That's Mine!

By Van Zeveren, Michel.

Gecko Press. 1 Cloth(s), 2013. hard. Book Condition: New. In the jungle, a little frog finds an egg. "That's mine!" he says. Then the snake wants his egg, and so does the eagle and the lizard, but when the egg hits the elephant on the head and he angrily demands to know who it belongs to, no one wants to own the egg anymore. Eventually, though, the egg will hatch and its occupant will have demands of his own. Belgian author-illustrator Michel Van Zeveren tells most of this story for readers and listeners 4 to 6 through the animals' dialogue, and against a minimalist jungle backdrop, his painted characters look like characters in a vintage animated feature. 32.

Reviews

Extensive guide! Its such a excellent read. This can be for anyone who statte that there was not a worth looking at. I am just effortlessly will get a satisfaction of looking at a written publication.

-- **Melvin Hettinger**

This book will not be effortless to start on reading through but very exciting to learn. It is amongst the most remarkable book i have got go through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
