As the widespread use of information technology continues, what areas of our current health care delivery system do you believe can best capitalize on more effective use of new technologies In addition, how do you plan to use new and existing information technology capabilities to more effectively and efficiently manage HHS operations and programs For example, what priorities are you planning to set for modernizing HCFAs information infrastructure and balancing those against other Departmental funding needs 5. By providing services to Medicare and Medicaid beneficiaries, health care providers subject themselves to a certain level of additional regulatory scrutiny. Some providers believe the added regulatory burden is excessive and detrimental to their ability to focus on providing appropriate health care. At the same time, federal and state agencies and private-sector health care organizations are continuing to increase efforts to ensure proper payment. Do you have any particular approaches in mind on how to minimize the effect of regulatory...
