SCREWTAPE S MASTER PLAN: A SATIRICAL TAKE ON CHRISTIANITY AND CULTURE

[DOWNLOAD](#)

Wipf Stock Publishers, United States, 2012. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Synopsis: He s baaack! That infernal demon, Screwtape, from C. S. Lewis s classic book, *The Screwtape Letters*, has returned. Screwtape is armed with a Master Plan designed to acidify and ultimately destroy the cultural tapestries of a critical region of the world and the humans therein. In a series of lectures delivered to a legion of demons, Screwtape highlights key principles and tactics for twisting human thinking and behavior in the areas of materialism, sexuality, intergroup relationships, self-actualization, work and vocation, and understandings of Jesus. Screwtape s ultimate objective is to snuff out God s light in the region by encouraging Christians to assimilate to prevailing cultural norms or withdraw into their own cultural bubbles rather than faithfully integrate into the cultures around them. Through a process known as the Amishification of the Church, Screwtape expects the Christian church to become a minor backwater institution in the region by the end of the twenty-first century. Endorsement: By redeploying C. S. Lewis s Screwtape character in a contemporary context, Anderton reminds us that the subliminal battle to undermine God s plan for humanity is still raging. This book helps identify tactics to counter cultural demise by reimagining how the church integrates with culture. --Linda Bourie, Missionary Artist Through careful observation and analysis, and by borrowing the approach of C. S. Lewis, Anderton shows us why the church in the U.S. is having only marginal influence on our culture. As I read, I repented of my complacency and resolved to engage my world with greater humility, intentionality, and grace. --Lou Soiles, Associate Pastor, Trinitarian Congregational Church Anderton s concept of swollenness and segmentation provokes new thought and...
