Freeman enjoys teaching the simple techniques required to succeed with real estate investments. As a business owner Max understands the power of value in the market place. If the products or services you offer have value, your business has a good chance of succeeding. Real estate investing is also about added-value. In the various vignettes, he displays a commonsense approach to problem solving to realize profit. His fundamental belief in the benefits of real estate investing is reflected in his continued market activity. Along with his investment team, Mr. Freeman develops properties throughout Southern California, Arizona and Illinois. He currently sits on the board of several real estate partnerships where he formulates business strategies to expand, liquidate or maintain real estate portfolios. Because of his love of teaching, Max periodically takes on clients to consult in their individual real estate endeavors; from solutions for asset acquisition to asset management.
