Though there are a plethora of books on the basic non controversial issues of the Christian faith, there is an amazing void in books tackling the tougher issues. This book is neither an advanced text on ethics, nor a simple how to handle life s problems in six easy steps. Mark Brewer has discovered that there is a profound hunger in people who want tools for how to make Christ-honoring decisions in a world of almost incomprehensible complexities and confusion. This book will equip people in their journey of becoming spiritually intelligent.Editorial ReviewsAbout the AuthorDr. Mark Brewer came to church ministry as a third-generation Presbyterian minister's son. Since June of 2001, he has served as Senior Pastor of the historic Bel Air Presbyterian Church in Los Angeles with a congregation of more than 5,000.
