Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.12 brand new, unique, pretty designs for you to color any way you like. You can use colored pencils, pens, fineliners, markers, sharpies, whatever you like. And as the designs are printed on one side only you don't have to worry about your pen bleeding through to the other side of the page. Zendoodles are often likened to a form of meditation, and coloring them is a fabulous way to relax and take time out from the stress of our busy lives. Perfect for adults, or children who are bored with regular coloring books- there is no age limit on coloring! This book contains 12 designs, some are varied zendoodles filled with lots of different patterns (like the design chosen for the cover), and for some pages I have chosen a favorite pattern to repeat and fill the whole page, resulting in a fabulous geometric type design. All of the pages are completely hand drawn and unedited. This gives the pages a wonderful natural feel, totally different to the average coloring book. This is the second zendoodle coloring book I have published, and there are lots more designs available in my etsy shop: . I really hope you enjoy coloring these pages as much as I enjoyed drawing them! My Zendoodles are inspired by the art of Zentangle(r). The Zentangle(r) art form and method was created by Rick Roberts and Maria Thomas and is copyrighted. Zentangle(r) is a registered trademark of Zentangle, Inc.
