

Letters for the People, on the Present Crisis (Classic Reprint)

Filesize: 8.62 MB

Reviews

These types of book is the greatest ebook readily available. I was able to comprehend every little thing using this published e pdf. I realized this pdf from my dad and i encouraged this publication to discover.

(Dr. Porter Mitchell)

LETTERS FOR THE PEOPLE, ON THE PRESENT CRISIS (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Letters for the People, on the Present Crisis My Dear Friend: In reply to your letter, requesting me to give you my opinions of the signs of the times, and the bearings of the great national questions just, now to be settled, as they have been presented to my view at this point, - a point so deeply interested in both the subjects you inquire about, - I shall, for my own satisfaction, as well as to arrive at actual facts, give them a practical and minute, as well as philosophical examination. Highly as you estimate the importance of these questions, you can not, and no man can, calculate a tenth of the influence they will exert to bless our land, if settled aright. We are passing a crisis, and, if our country and our Congress do their duty to themselves, to universal humanity, and to God, all will be well. You inquire, How large in Nebraska? What are its soil and climate? Will it be admitted as a Territory this winter? Will it be free? Now, there are preliminary questions and side issues, which should be first disposed of, to come to a true understanding of the case; and, while I shall treat the two great topics in all my letters, viz: Nebraska Territory - Shall it be free! Pacific Railroad - where shall it be built! I shall examine, in the first letter, The position of Missouri, as regards Slavery - Slavery waning in Missouri - Size and importance of Missouri - Slavery unnatural to the State - Re-election of Thomas H. Benton - Why defeated - How re-elected - Internal improvements -...
