

The Intelligent Reit Investor: How to Build Wealth with Real Estate Investment Trusts (Hardback)

Filesize: 5 MB

Reviews

Unquestionably, this is the best operate by any author. It is among the most amazing pdf i actually have read. Its been designed in an remarkably basic way which is just right after i finished reading this pdf by which basically altered me, change the way i believe.

THE INTELLIGENT REIT INVESTOR: HOW TO BUILD WEALTH WITH REAL ESTATE INVESTMENT TRUSTS (HARDBACK)

John Wiley Sons Inc, United States, 2016. Hardback. Book Condition: New. 1. Auflage. 236 x 162 mm. Language: English . Brand New Book. The go-to guide for smart REIT investing The Intelligent REIT Investor is the definitive guide to real estate investment trusts, providing a clear, concise resource for individual investors, financial planners, and analysts anyone who prioritizes dividend income and risk management as major components to wealth-building. Later this year, the REIT industry will experience a watershed event when Standard Poors creates a new Global Industry Classification Standard (GICS) sector called Real Estate. On September 1st, publicly traded equity REITs will be removed from Financials, where they have been classified since their creation in 1960, and begin trading as their own SP Sector. This separation from banks and financial institutions already is attracting new investors, but REITs require an industry-specific knowledge that is neither intuitive or readily accessible to newcomers until now. Using straightforward language and simple example to illustrate important concepts, this book will enable any reader to quickly learn and understand the lexicon and valuation techniques used in REIT investing, providing a wealth of practical resources that streamline the learning process. The discussion explains terminology, metrics, and other key points, while examples illustrate the calculations used to evaluate opportunities. A comprehensive list of publicly-traded REITs provides key reference, giving you access to an important resource most investors and stockbrokers lack. REITs are companies that own or finance commercial rental properties, such as malls and apartment buildings. Despite historically high total returns relative to other investments, such as the Nasdaq or SP 500 index, most investors are unfamiliar with the REIT industry, and wary of investing without adequate background. This book gets you up to speed on the essentials of REIT investing so you can make more informed...
