JOHN WILEY & SONS INC Apr 2009, 2009. Taschenbuch. Book Condition: Neu. 221x150x30 mm. Neuware - A detailed look at the worst M&A deals ever and the lessons learned from them It's common knowledge that about half of all merger and acquisition (M&A) transactions destroy value for the buyer's shareholders, and about three-quarters fall short of the expectations prevailing at the time the deal is announced. In *Deals from Hell*, Robert Bruner, one of the foremost thinkers and educators in this field, uncovers the real reasons for these mishaps by taking a closer look at twelve specific instances of M&A failure. Through these real-world examples, he shows readers what went wrong and why, and converts these examples into cautionary tales for executives who need to know how they can successfully navigate their own M&A deals. These page-turning business narratives in M&A failure provide much-needed guidance in this area of business. By addressing the key factors to M&A success and failure, this comprehensive guide illustrates the best ways to analyze, design, and implement M&A deals. Filled with in-depth insights, expert advice, and valuable lessons gleaned from other M&A transactions, *Deals from Hell* helps readers avoid the common pitfalls associated with this field and presents them with a clear framework for thinking about how to make any M&A transaction a success. PRAISE FOR *Deals from Hell* 'Whether you are an investor or dealmaker, corporate executive or aspiring MBA looking for a career on Wall Street, you are sure to find this book both troublesome and inspiring.it cannot be otherwise when you carefully examine a series of M&A 'train wrecks' through the same lens as Prof. Bruner, a creative teacher in the field of M&A, who has been able to extract the hard, instructive lessons from these disasters.' -From the Foreword by Arthur...
